

DRAWING CHALLENGE 7

Draw BIG and in black crayon. With any animal, start with the nose or the eyes. Start at the top in the middle, keeping in mind that if you draw the face too big, you won't have room for the wings or the rest of the body. If you do run out of room, just draw to the edge of the page and stop. Don't try and cram anything in. It's never a mistake in my classes to run out of room since the drawing will still be just as interesting. Don't forget to color in the flamingo pink with orange beak and legs and darker pink shoes and outfit. Remember, **NO TRACING!**
