

# DRAWING CHALLENGE 9

**Draw BIG and in black crayon.** This is a stylized scorpion. With any animal, start with the nose or the eyes. Find the middle of the page and jump down and to the right a little to start with the eyes. If you do run out of room, just draw to the edge of the page and stop. Don't try and cram anything in. It's never a mistake in my classes to run out of room since the drawing will still be just as interesting. Don't forget to color in the body. You can use a blue green. Remember, NO TRACING!
