

# DRAWING ASSIGNMENT

## WEEK FOUR

DUE WEEK OF NOVEMBER 14TH

**Draw BIG and in pencil.** With an animal, always start with the eyes or the nose. Find the middle of the page. Jump up and to the left a little. Draw the left eye, coloring the inside circle black with pencil. Jump over to the right and draw the right eye, coloring the inside circle black with pencil. Below each eye, draw the nostrils. Draw the oval of the nose making sure it's big enough to go past the eyes on both sides and jumping over the two nostrils. Above the eyes, draw the horns. Draw the top of the head, going from eye to eye and jumping over both horns. Draw the hair on top of the head, and color it in black with pencil. Draw the sides of the face. Draw the two ears. Draw the lines inside the ears. Draw the circle for the stomach below the nose. Draw the line below the stomach circle. Draw the lines that go from the side of the circle and continue down to become the hoofs before connecting up to the line below the stomach circle. Color in the hoofs black with pencil. Draw the arms. Draw the tail, coloring in the tip of the tail black with pencil. Remember, NO TRACING!
