

DRAWING ASSIGNMENT

WEEK ONE

DUE WEEK OF
OCTOBER 10TH

DRAW BIG and in pencil! Find the middle of the page and jump up a little towards the top. Draw two lines very close together, and tilt them to the right for the stem. Connect the lines at the top and the bottom. Draw the slightly curved line just under the stem. Draw the outline of the pear, starting near the bottom of the stem. The pear is skinnier at the top and wider at the bottom. Go a little ways up the stem on the left and draw the leaf. Draw the line down the middle of the leaf. Draw the three lines on each side of the center line of the leaf. Remember, **NO TRACING!**
