

For St. Theresa School:

- *Art students need an old ADULT SIZE t-shirt to wear in art class for when we're using paint, glue, or other materials that can stain uniforms. Youth size t-shirts do not cover all the uniform. The plastic bag for holding the shirt will be provided by the school this year since that was a problem last year.*
- *An art folder is needed. It can be an old one. If art history notes from previous years were kept, 10 warrior bucks will be given to the student when the art history notes are brought to art class.*
- *Pack of color crayons, 24 colors minimum. Colored pencils are allowed, 24 colors minimum.*

For St. John Primary:

Because there is no art room or a place to store supplies, we just use the same color crayons as are used in the classroom.
