Dear Parents,

The Louisiana Department of Revenue is offering a tax deduction for fees paid to private schools. Please read the following regarding Act 8 that has been passed by legislation

**Act 8 creates a deduction for private school tuition and fees, including expenses for uniforms and supplies for private school students. The Act also creates deductions for parents of home school and public school students. Parents of home school students will be allowed to deduct expenses for home school curricula and instructional materials, while parents of public school students will be allowed to deduct expenses for uniforms and supplies that are purchased from the school. In each instance, the deduction allowed shall be fifty percent of the actual amount paid per student, or five thousand dollars, whichever is less.**

The deduction cannot exceed the amount of your taxable income and should be included on your tax return.
